# બે બોલ...પ્રેરણા

Swami Vivekanand Said:  
Each soul is potentially divine.

Either born in Mumbai, London,  
New York or in tribal regions of Dang,  
Dharampur, Kaprada.....

Every child is furnished with same  
level of life energy mind fire, intellect  
and capabilities.

It is ways of exploration that makes the d

Real growth is growth of everyone at the same time in every facets of life  
Caring those who are living at the end of society, is the real to service to God  
and humanity.

Southern Gujarat is typically carved part of state in whole country. Nature has  
opened and dispersed its all wealth & treasures whole heartedly here.

Herbal heaven is the other name for these region.

The only deficit here we feel are academic decent, mental-intelligence  
depowerment & financial stretching.

To address these fundamental issues, US based Tarsadia foundation took  
initiative by establishment of Diwaliben Ukabhai Patel sarvajanic trust with total  
financial and technical support..

## Education, Enrichment, Empowerment

Covering these triple core values, since last 16 years we are striving for total,  
integral & complete long term development & growth of rural parts of these region.  
Stepping parallel with changing world, we have adopted modern scientific  
fundamentals & globally accepted academic practices to transform these rural  
genious.

I am confident that with collective will & efforts & government support, we all  
will conquer this Nobel vision.

## The Tarsadia Foundation : brief sketch

The Tarsadia Foundation was established in 1999 by B. U. Patel & Pushpa Patel to honor the family's legacy of giving back to the community and selfless serving. Guided by the belief that all human beings have value, people are the first concern of the Tarsadia Foundation.

The Tarsadia Foundation works toward improving people's lives through grant funding, promoting philanthropy, and strengthening the capacity of non-profit organizations.

Personal involvement by all family members is a key element of our grant process.

### Mission

The Tarsadia Foundation supports non-profit organizations with programs and projects that provide educational opportunities for the underserved, support health and well-being of the community, and help to employ the employable through economic empowerment.
